#### WORK COMMITMENT FOR LARGE OR SMALL WORKING SHARE MEMBERS

*(Does not apply to Non-working Share members)*

PLEASE READ CAREFULLY

Each working share member agrees to provide at least 1 person to work 2 hours every other week (preparing soil, weeding, harvesting, planting, mulching and watering) at the farm from April 15 through November 1( as weather permits) and help at 2 of our monthly "Crop Mobs", where we can catch up on some big projects and bring a dish to share for a Pot Luck lunch. We work in farm teams guided by our workshare members. If you need to reschedule a work session, you can email the Farm staff.

Children are welcome at the farm, but those young enough to require supervision will need a second adult or older child to keep close track of them while at least one share member concentrates on the farm work of the day. Children may play in the area. We encourage children (who are old enough) to work with their parents . Some of our best workers are children.
